

In an effort to provide Public Risk Management Association (PRIMA) members with an opportunity to further their public sector risk management education and professional development we have created the Virtual Annual Conference Scholarship. With the economic and budgetary challenges that public entities across the country are facing, funds for professional development has been reduced or cut altogether. The number of scholarships awarded in 2021 will be determined once the initial fundraising drive has concluded. Scholarship recipients can attend dozens of conference workshops, meet and learn from vendors and suppliers and network with public sector risk management professionals from across the country.

**APPLICATION DEADLINE: Monday, April 5, 2021.**

**Scholarship Benefits:**

Each scholarship recipient receives a complimentary registration to the PRIMA's Virtual Annual Conference.

**Criteria:**

Applicants will be judged based on the following criteria:

- Years of public sector risk management experience;
- Must be employed by a governmental entity;
- Previous attendance at PRIMA's Annual Conference;
- Travel restrictions;
- **MUST** include your current resume.

**Application Procedure:**

Applicants must complete the Virtual Annual Conference Virtual Scholarship Application Form on page 2. The application must include all supporting documentation.

**Completed application MUST be received by Monday, April 5, 2021.**  
**Applications received after this date will be rejected.**

You are highly encouraged to electronically submit your application packet to Melvin Bodmer, Jr. at [mbodmer@primacentral.org](mailto:mbodmer@primacentral.org), with the subject line: Virtual Annual Conference Scholarship.
